TUCK'S POST CARD

CARTE POSTALE

By Appointment.

The Tomb of Rachel. On the road from Jerusalem to Hebron. Here Jacob set a pillar upon the grave where he had buried the wife so dearly loved since their first meeting, and for whom he had worked and waited so long. The story of his patient servitude is very familiar when "seven years" seemed to him but a few days for the love he had for her. Jacob's deep grief and lasting regrets make up a touching tale of domestic history.

So far my exam
has been quite
decent. I like all my
papers except my
backed his morning.
I think mother is
coming with me on
Tuesday. do write.
You writing this
in Birmingham
Love Ray.
